Biography

Jacky specializes in a wide array of matters in relation to Corporate Law, Commercial Law, Labour Law, Intellectual Property Rights, Dispute Resolution and Arbitration. In the past 15 years, he has worked closely with many European multinational corporations and has assisted them in navigating through several business/operational issues in the Chinese markets including liaising with the Chinese government authorities.

Recent professional experience

- Assisted a Belgian film manufacturer in settling a dispute with its sales agents in China. Through communications and negotiations, he finally reached a settlement agreement, avoiding both parties to resolve the conflict through litigation.
- Assisted a French trading company in resolving a dispute with its logistics provider. Due to an internal change of shareholding, the logistics company unreasonably demanded to pay additional logistics costs.
- Assisted a leading German auto manufacturing company in relocation of its existing plant, employees transfer plan, transfer of intellectual property rights, assets disposal, labor disputes and government relationship. Post transfer, conducted a thorough due diligence on the business operations, assisted with construction contracting and management, resolving major employment issues, assets inventory related issues and advised the management on China operations by drawing up comprehensive plans and strategies.
